## COMPONENTS

## ASSEMBLY AND OPERATION

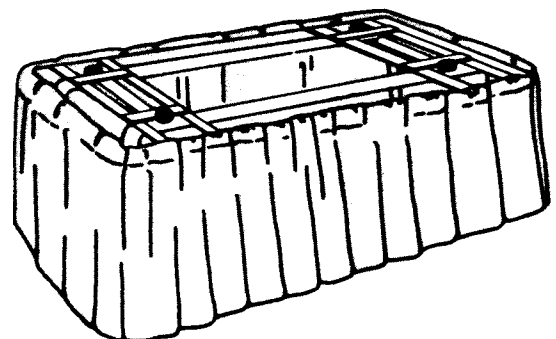

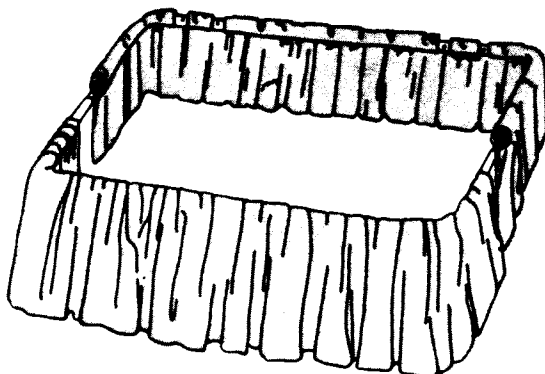

Insert the frame halves into the narrow sewn-in casings along with the top edge of the drapes.

Align the pre-punched holes on the inside of the drape casing with the holes in the frame halves. Position and attach the hangers with the mounting hardware provided.

Join the two frame halves by inserting the splice into the frame ends.

Place the assembled drape and frame onto a Model 110, 112, or 113 Showroom Truck. The drape should clear the floor by approximately 1 1/2 inches.

## INSPECTION AND MAINTENANCE

The drape frame should be inspected on a regular basis for bent or broken parts, missing fasteners, etc. If damage is found, TAKE IT OUT OF SERVICE until repair or replacement can be made.

Routine maintenance should be minimal. The drapes should be removed and professionally dry cleaned as needed. The frame can be cleaned with soap and water or a mild solvent.

## *Limited Warranty*

All hard goods-e.g. cots, stair chairs, basket stretchers, church truck, etc., are warranted for one year from date of purchase. Hard goods claimed defective within the one-year period and caused by material or workmanship will receive prompt investigation and fair adjustment.

Soft goods-e.g. head immobilizers, restraints, KEDs etc., are warranted for 90 days from date of purchase. Soft goods claimed defective within the 90 day period and caused by material or workmanship will receive prompt investigation and fair adjustment.

Due to the nature of their intended use, certain soft goods, once used, cannot be returned. These products include first call covers, first call pouches, disaster pouches, sheets, blankets, and mattresses. Please inspect these items carefully upon receipt for any flaw in material or workmanship.

If a defect is found after the product has been placed in service, DO NOT return it to Ferno. Contact your dealer or Ferno customer service for replacement information.

Return Policy: No product will be accepted without prior approval of Ferno! Merchandise accepted for repair or replacement will be evaluated against established criteria, including age and condition of product and expected length of time to repair that product, as well as its ability to meet current industry standards. If repairable, an estimate will be provided to the customer before work begins. All repaired items carry a 90 day warranty. A cleaning charge may apply to returned products. Your Ferno customer service representatives will be happy to assist you.
